

Qualifications and Experiences Summary

| Company | Location | Qualifications and Experiences | | | | | | | | | | | | | | | Comments | | | |
|----------------------------|---------------------------------------|--------------------------------|---------------|-----------------------|-----------------------|-----------------|-----------------|--------------------|-----------------------|----------------------|----------------------|------------------|-----------------|-------|--------------------|----------------|----------|----------------|------------------|---|
| | | Govt Approvals | Well Planning | Tender / Contract Neg | Materials & Logistics | Cost Accounting | Ops Supervision | End of Well Report | Formulation Eval Plan | Wellsite Supervision | Formation Evaluation | Daily Geo Report | Geo End of Well | HSEMS | Emergency Mgt Plan | Oil Spill Plan | | Safety Case BD | Environment Plan | Emergency Table Top |
| AEC International | Timor Sea | ■ | ■ | ■ | ■ | ■ | ■ | ■ | | | | | | ■ | ■ | ■ | ■ | ■ | ■ | LPM provided complete project services including all HSE, drilling, logistics and initial office accommodation. |
| Alberta Energy | Timor Sea | | | | | | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | Developed and trained AECIA management operations team in use of HSEMS including special emergency simulation exercises for cyclone season. |
| Ampol Exploration | Browse Basin, West Aust (WA) | ■ | ■ | ■ | ■ | ■ | ■ | ■ | | | | | | ■ | | ■ | | | | As part of this project LPM developed a computer based Purchase order and materials control system specifically tailored to short term one or two well programs. |
| Ampol Exploration | Perth & Carnarvon Basin - WA | ■ | ■ | ■ | ■ | ■ | ■ | ■ | | | | | | ■ | ■ | ■ | | ■ | | This project required significant environmental assessment of biological and sociological resources in the area and risks to those resources from the drilling operation. LPM also managed oil spill counter measure resources and community liaison activities for this program. |
| Ampolex | Browse, Carnarvon & Perth Basins - WA | ■ | ■ | ■ | ■ | ■ | ■ | ■ | | | | | | ■ | ■ | ■ | ■ | ■ | ■ | LPM provided drilling, logistics, administration and environmental management support for this aggressive multi well exploration drilling program. |
| Anadarko | Timor Sea | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | Provided complete project drilling, logistics and wellsite geological management services including local office in Perth and operations office in Darwin. |
| Apache Energy | Northwest Shelf - WA | | | | | | | | | | | | | | ■ | | | | | Including ERP's for jackup operations, semi-submersible operations and general operations. |
| Bass Strait Oil Co. | Gippsland Basin - Vic | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | ■ | Prepared and provided complete drilling project management support including geological services. |
| BHP Petroleum | Bass Strait - Vic | | ■ | ■ | | | ■ | ■ | | | | | | | | ■ | | | | Provided drilling engineers, drilling supervision and logistics support. |
| British Borneo | Carnarvon Basin - WA | ■ | ■ | ■ | ■ | ■ | ■ | ■ | | | | | | ■ | ■ | ■ | ■ | ■ | ■ | LPM provided a complete drilling team for the first well drilled and ongoing operations support for a second well the following year. |

| Company | Location | Drilling Project Management | | | | | | | | | | Geological Operations | | | | HSE Services | | | | Comments | |
|-----------------------------|---|-----------------------------|---------------|-----------------------|-----------------------|-----------------|-----------------|--------------------|-----------------------|----------------------|----------------------|-----------------------|-----------------|-------|--------------------|----------------|----------------|------------------|---------------------|----------|--|
| | | Govt Approvals | Well Planning | Tender / Contract Neg | Materials & Logistics | Cost Accounting | Ops Supervision | End of Well Report | Formulation Eval Plan | Wellsite Supervision | Formation Evaluation | Daily Geo Report | Geo End of Well | HSEMS | Emergency Mgt Plan | Oil Spill Plan | Safety Case BD | Environment Plan | Emergency Table Top | | |
| Northcor Energy | Newfoundland, Canada | ■ | ■ | ■ | ■ | ■ | ■ | ■ | | | | | | ■ | ■ | ■ | | | | | This well set Canada's water depth record (at that time). It was drilled under budget with no lost time accidents or environmental incidents. |
| OMV Australia | Timor Sea, Bass Strait - Victoria, Taranaki Basin - NZ. | ■ | ■ | ■ | ■ | ■ | ■ | | | | | | | ■ | ■ | ■ | ■ | ■ | ■ | ■ | LPM provided comprehensive drilling project management for operations at key OMV exploration and development sites. LPM also upgraded OMV's HSEMS and provided training for all management and operations personnel. |
| PanPacific Petroleum | Carnarvon Basin - WA | ■ | ■ | ■ | ■ | ■ | ■ | | | | | | | ■ | ■ | ■ | | ■ | | | This well was in extremely shallow water requiring a comprehensive environmental management plan and special consideration for Modu positioning and support |
| Petrofina | Carnarvon Basin - WA | | | | | | | | | | | | | ■ | ■ | ■ | | ■ | ■ | ■ | Provided HSE services. |
| Phillips Oil | Carnarvon Basin - WA | | | | | | | | | | | | | | ■ | | | | | ■ | Provided oil spill planning services. |
| Sagasco | Carnarvon Basin - WA | | | | | | | | | | | | | | ■ | | | | | ■ | Provided oil spill planning services. |
| Santos | Timor Sea, North West Shelf - WA, Bass Strait - Vic | ■ | ■ | ■ | ■ | ■ | ■ | | | | | | | | | | | | | | LPM has provided full engineering and project supervision for all of Santos' Offshore drilling since 2000 including key offshore and shorebase personnel. |
| Shell Australia | | | ■ | | | | | | | | | | | | ■ | ■ | | | | ■ | Provided drilling consultant services. |
| Strike Oil | Otway Basin, North West Shelf | | ■ | | | | | | | | | | | | | | | | | | Developed preliminary offshore drilling programs to determine feasibility of exploration program. |
| Tanzoil | Offshore Tanzania | | ■ | | | | | | | | | | | | | | | | | | Developed preliminary drilling program. |
| Teikoku Oil | Bonaparte Gulf - NT, Australia | | ■ | ■ | ■ | | ■ | | | | | | | | ■ | ■ | | | | ■ | LPM co-ordinated liaison with local indigenous communities to ensure a successful drilling program in close proximity to the Daly River/Port Keats Aboriginal Land Trust. |
| Thaipo | Gulf of Thailand | | | | | | | | | | | | | | ■ | ■ | | | | ■ | Provided HSE services. |
| Transworld/NZOP | Taranaki Basin - New Zealand | ■ | ■ | ■ | ■ | ■ | ■ | | | | | | | ■ | ■ | ■ | ■ | ■ | ■ | ■ | LPM obtained regulatory approvals for client to commence first offshore drilling program, provided HSEMS services, drilling project management and drilling supervision for two year drilling campaign. |
